

Ramayana Couplets

King Vishnu, one of the multiple gods, came down as Rama,
who was known to always follow his Dharma,

He had wanna
kill Ravana,

His father was King Dasharata,
and his brother was Bharata,

Dasharata gave Bharata the thrown,
and exile, Rama was thrown,

The decision of Queen Kaikeyi
to Rama, felt like a melee,

He went to the forest with Lakshmana and Sita,
and they had to eat berries raw,

One day, Dasharata died,
And Rama cried,

And when Surpanakha turned into a beautiful woman,
she was rejected by the main “human,”

Surpanakha became really mad,
and things started to happen that were really bad,

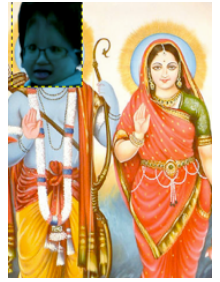

And Ravana abducted Sita,
Jatayu tried to make him follow the Dharma,

As Jatayu was died,
Hanuman tried,

And after Hanuman brought Sita back,
Rama killed Ravana with a *whack!*

He gained the thrown again,
said what he suffered was not even pain,

Now I wonder what happened to Ravana,
who has a very bad Karma.

Sita and Rama go to exile.

Sita is kidnapped by Ravana.

Hanuman finds Sita.

Ravana dies.
